

CBC SEMINAR ANNOUNCEMENT

Professor Daniel Seidel
Rutgers University

Functionalization of Amines via Redox-Neutral Reaction Cascades

This lecture will cover our recent efforts in the development of redox-neutral reactions that allow for mild C–H bond functionalizations and the rapid buildup of molecular complexity. Related reactions that involve decarboxylative processes will also be discussed.

Date:	1st August 2012 (Wednesday)
Time:	4:00pm – 5:30pm
Venue:	NTU SPMS CBC Building Level 2, Conference Room
Host:	Asst Professor Steve Zhou
